PARLIAMENTARY FRIENDS OF TRUCKS, TRAILERS, TRANSPORT AND LOGISTICS

HVIA has partnered with the Australian Trucking Association (ATA) to establish a Parliamentary Friends of Trucks, Trailers, Transport and Logistics (PFTTTL) group as a means of improving policy advocacy and elevating the issues of heavy vehicle manufacturers and transport operators, with members of the Federal Parliament.

Working together on key policy issues:

- Maximising productivity
- Raising the industry profile
- Solving the skills deficit
- Improving road safety

The PFTTTL event is by personal invitation only, held at Parliament House, Canberra.
